

BELLADINOTTE

Maurizio Mancini / 2012

The magic of the mirror brought into the garden.
A study of camouflage. The reflective surface is used as a tool
to camouflage and hide the machine to create light.
The reflection of the environment makes the luminaire invisible.

La magia dello specchio portata in giardino.
Un lavoro sulla mimetica. La superficie riflettente utilizzata come strumento
per mimetizzare e nascondere la macchina per fare luce.
La riflessione del contesto ambientale rende invisibile il corpo illuminante.
