Offset

1722

Design By Xuclà

The Offset ceiling model with its three accent light points can be elegantly integrated with any space thanks to its uncomplicated surface installation. The versatility is increased by combining several units, offering a vast range of creative possibilities for creating exclusive ceiling compositions. This is made possible by the solid aluminium casing that guarantees durability and a refined aesthetic.

Offset

1755

VIBIA

Design By Xuclà

The Offset model stands out thanks to its linear design and simple surface installation. This versatile fitting provides different static lighting options, in addition to dynamic White, allowing for greater flexibility to customise spaces according to project requirements. In addition, the flat diffuser ensures a uniform lighting diffusion, ensuring a relaxing and comfortable ambience.
